

SUNDAY AFTERNOON – CHURCH VISIT IN WAGHDARA (5TH DEC 2010)

Hello, my name is Klaus Zumbach from Germany. From the 4th till the 6th I visited the Rural Blessing Mission (<http://www.ruralblessingmission.org/>).

I asked Brother Isaac to show me the RBM work done in the missionary field.

In the following I show you my impressions of the church service and the village in form of pictures taken in Waghdara.

I invite you to make your own picture...

VISIT OF RURAL CHURCH

Today (December 2010) we could visit a service in Waghdara to join the local church in the since 6 month completed building.

2008 the village got for the first time connected to electricity and a proper road for transportation through the Government in India.

Total population is around 280 people, around 60 are Christian followers. On the 5th of December we visited the church and 4 men (still needed to work on the fields), 26 women and 18 children joined the church. In total 16 men join the community, but due to our visit the service start was earlier and they still had to work on the fields.

The village is rural, they have cows, bulls and agriculture (e.g. dhal, oranges, cotton). They are surrounded by a low wood and have a 'lake' besides. Still wild animals as tiger, bear and wild pigs endanger the village.

SUMMARY

The village has a small school, up to the 4th grade, but children are not supported for studies, parents are not educated and therefore cannot teach the children.

The need is support for home work on a first step, if as second step to enable further education for children.

RBM sees the need and as consequence they have following **future project plan** for the 30 children in this village:

A graduated missionary's wife would get 600 Rs per month and works as teacher to support the children for 90 min for their homework. Give them snacks for 15 min and 15 min sharing the word of God. Costs are 30 children x 5 Rs x 25 working days for the snacks, plus the salary of the teacher, plus a buffer of 500 Rs makes in total 5000 Rs per month.
