

MONDAY MORNING – VISIT OF DAY CARE CENTER Lonsavali (6TH DEC 2010)

Hello, my name is Klaus Zumbach from Germany. From the 4th till the 6th I visited the Rural Blessing Mission (<http://www.ruralblessingmission.org/>).

I asked Brother Isaac to show me the RBM work done in a day care center in Lonsavali.

In the following I show you my impressions in form of pictures of the center, the staff, the children and the village.

RBM started with the help of donations this project as the children have no support for homework of the parents, who mostly need to leave early for work and come back late in the afternoon. So they stay from 7:00 till 9:00 in the center.

Here they get a nice breakfast and care...

See all through my eyes, then make your own picture

SUMMARY

RBM was in Lonsavali confronted with the need that children got no proper education support and food.

Therefore RBM started with the support of the partner Compassion a day care center for the children.

The children go to a regular, public school.

Early in the morning RBM offers now to the children teachers helping them with their homework, a nice breakfast, some exercise and a morning prayer.

Besides the day care the home is also used for the Christian Lonsavali community, e.g. for church service.
