

SNAP SHOTS OF THE RURAL BLESSING MISSION

My name is Dr. Klaus Zumbach, born 1970 in Germany.

From the 4th till the 6th of December 2010 I got the chance to visit the Rural Blessing Mission (RBM) in India, Maharashtra State in Anji.

,Brother' Mr. Isaac Israel (RBM founder) was so friendly to welcome me and guide me together with our driver Ravi & car through the different villages & projects where RBM is working.

As I only had a slot of 48 h we had a tight time schedule. All impressions I saved as pictures – therefore snap shots of RBM.

I invite you as reader to see all through my eyes...

IMPRESSIONS OF ANJI - RBM, HEADQUARTER'

The ,headquarter' of RBM is located in Anji.

I took the chance to see a small city (or big village) and walked around. John – a very nice boy from the home – joined me that I'm not getting lost and that he could communicate to the local people :o) .

Below I will show you my impressions about the city and the inhabitants.

STARTING FROM THE HEADQUARTER

The headquarter ground and building from outside. The cross – the symbol for the our belief and also the Christian values & quality behind. The play ground for the children is protected by a wall and by tree's, giving them some shadow during the heat of the day.
